Discover Gyeongbuk

GYEONGSANGBUK-DO, REPUBLIC OF KOREA

대한민국 경상북도

Where Heritage Meets Opportunity

SOUTHEASTERN KOREA | 22 CITIES & COUNTIES | HERITAGE / NATURE / INDUSTRY

Gyeongsangbuk-do, also known as Gyeongbuk, brings together Korea's cultural heritage, mountain landscapes and east-coast scenery. Its 22 cities and counties are home to distinctive local traditions and established industrial centers.

01 Living Heritage

Explore the legacy of the Silla kingdom in Gyeongju and the Confucian traditions of Andong's Hahoe Village.

02 Inspiring Nature

From Mungyeong's mountain trails to the east coast, discover landscapes that shape the region's character.

03 Industry & Enterprise

Pohang's steel industry and Gumi's electronics sector reflect Gyeongbuk's role in Korea's industrial development.

Meet Gyeongbuk in the Philippines

04 BIGBONEFOOD Inc.
(주)빅본푸드

Premium Brand BIGBONE F&S

▶BIGBONEFOOD Inc. is an integrated food company that manufactures meal kits, meat products, and sauces in-house at HACCP-certified facilities. Starting as a food processing plant in 2019, the company completed its second plant in 2025, and operates the nationwide franchise "IYOO Gamjatang," turning flavors proven in its own restaurants directly into packaged products. From small-batch production to large-scale mass production, BIGBONEFOOD takes responsibility for the entire OEM process.
Our products are organized into pork-based and beef-based lines. The pork-based line includes Gamjatang, White Gamjatang, Boneless Gamjatang, and Pork Bulgogi, while the beef-based line includes Galbitang, Seolleongtang, Beef Intestine Soup, and LA Galbi Marinade. We also supply sauces such as Gamjatang Seasoning, Galbitang Seasoning, and Kimchi Seasoning.

A Decade of Connecting Gyeongbuk with the Philippines

Gyeongbuk Excellent Products Philippine Exhibition

Since 2016, the Gyeongbuk Excellent Products Philippine Exhibition has continuously introduced outstanding Gyeongbuk companies and products to the Philippine market. Through exhibitions, buyer matching, export consultations, and business networking, the program has built a strong platform connecting Gyeongbuk companies with local buyers and business partners in the Philippines.

Participating Companies by Year

Year	Participating Companies
2016	30 Companies
2017	18 Companies
2018	20 Companies
2019	30 Companies
2020–2021	Cancelled due to COVID-19
2022	24 Companies
2023	30 Companies
2024	24 Companies
2025	24 Companies
2026	20 Companies

200+

Participating Companies

Since 2016

In 2019, cooperation between Gyeongsangbuk-do and W-OKTA Philippines was further strengthened, expanding opportunities for buyer matching, market entry, and long-term business partnerships. The exhibition continues to serve as a practical gateway for Gyeongbuk companies seeking to enter the Philippine and Southeast Asian markets.
